

**Grant Area District Library
Lawn and Garden Maintenance Specifications 2018***

- ◆ Mow three acres of Library property at 3 inches of growth (not necessarily weekly)
- ◆ Fertilize the law 3 times through the growing season spring, mid-summer, late fall.
- ◆ Remove weeds from existing landscaping around the building, flag pole and driveway sign twice monthly
- ◆ Replace mulch and stones as needed around the building and in gardened areas upon request of the library
- ◆ Spray parking lot for weeds as needed
- ◆ Trim bushes and shrubs in spring and fall
- ◆ All bids must include proof of liability and workman's compensation insurance and any licenses to operate in the City of Grant as required.

The Grant Area District Library reserves the right to reject any and all proposals, to waive any irregularities in any one proposal, or accept any proposal deemed in the best interest of GADL.

* Please cost out each item separately and collectively for the summer season 2018 considered to begin April 1, 2018 and ending November 1, 2018.
